Superintendent Spotlight

This month I would like to spotlight the work of our support staff. These individuals are often the unseen heroes of the school. Whether it is coming in before sunrise to prepare a hot meal, braving the elements to disinfect and stay ahead of the latest improvement project or safely transporting kids to and from school these few, but essential members of our team, truly are the reason we are able to focus attention on the needs of your children. If you have the opportunity to see Shirley, Chris, Donna, Mike, Logan, Mark, Bo, Lisa, Josh or James, please join me in thanking them for their continued dedication and service to providing an Education Beyond Expectations!

PRINCIPAL'S REFLECTION

Happy February! What a great month to think about how much we care about our students, families, faculty and staff. This community is so very special and we thank you for the opportunity to get to help and watch your children grow and learn on a daily basis. We are fortunate that we are able to see our students walk in as kindergarteners and out as young men and women ready to take on the world.

We were blessed at the end of December to host some of our alumni back into the building. These former students so graciously donated their time to sit on a panel and discuss with current students what life is like beyond our doors. Rueben, Alexis, Abbi, and Madison did a wonderful job discussing their post high school endeavors with school and work; we are grateful for their time. They followed the panel up by having lunch with our seniors to further discuss their plans after graduation. What a joy they were to have back in the halls of THS!

We mustn't forget the hard work Mrs. King, Mrs. Patterson, and Mrs. Seel put in to making this event happen. We have such great people here at Miller County R-III.

WOW! Boxtops are really rolling in this year and we are so thankful! Just recently, 40 students in grades K-8 were treated to some delicious ice cream, provided by CreeMee and amazing toppings, provided by our own PTO. A big thank you to Mrs. Torey Rush, Ms. Holly Marks, Mrs. Reta McKee, Ms. Ann Fizer and Mr. Jackson Ramsey for your assistance in creating such an exciting event. Participation is simple; all you have to do is submit 5 boxtops in any one quarter of the year to Ms. Marks here at school. So far this year, we have raised \$285.00 for our special education department which goes to provide a variety of life skill learning opportunities for our students. Keep rockin those boxtops!
